Oak Brook, IL, April 21, 2009 – teksoft ventures is pleased to announce that they will again be a proud exhibitor at the 2009 ASUG Annual Conference and SAPPHIRE 2009 on May 11-14, 2009, located at the Orange County Convention Center in Orlando, Florida.

Yes, once again, it is that time of year! Please feel free to visit us at the teksoft booth (Booth 309). If you prefer to make an appointment, please call Virginia Russell at (630) 539-2414 to arrange a convenient time.

What is the 2009 ASUG Annual Conference and SAPPHIRE 2009?

Two unique events come together at one location with one exhibitor program. Customers, experts and solution providers, including teksoft ventures, inc., will be attending the events to explore opportunities for growth as well as maintaining profitability and efficiency.

SAPPHIRE is the premier SAP-hosted business and technology event, designed to introduce new initiatives, solutions, products, and services to conference attendees who benefit from the experiences of SAP professionals, partners, and customers. For more information, visit the [SAPPHIRE 2009](#) Web site.

The ASUG Annual Conference is the premier educational event designed by SAP customers, for SAP customers. The event supports ASUG's year-round community by offering customer presented education sessions, informal networking opportunities and the exclusive opportunity to influence the future product and service direction of SAP to those individuals working with SAP day-in and day-out. Additional details are available on the [2009 ASUG Annual Conference](#) Web site.

About teksoft ventures

teksoft ventures specializes in training clients to implement SAP applications using proven experience, highly qualified SAP training and configuration professionals, innovative proprietary processes, and a robust library of SAP training curricula, the teksoft Resource Library, that accelerates sustainable results. We deliver onsite, "just-in-time" project team training as well as providing role-based end user curricula. We are highly regarded professional advocates for successful education of our client's training constituents. Since 1998, we have educated clients across 14 countries and six continents, including North America, Europe, Africa, Asia, South America and Australia. Our clients come from a wide variety of industries, including Manufacturing, Financial Information Services, Consumer Products, Retail, Publishing, Pharmaceutical, Public Sector, Higher Education, Apparel and Footwear, and Insurance. We serve organizations that range from mid-size firms to global Fortune 500 companies.
