

Case Studies Case Studies

Delivered Services

- ⊕ Project Management and Advisory Services for end user education initiative (initial purpose)
- ⊕ Design and development of SAP Education Strategy
- ⊕ Design and development of end user education curricula
- ⊕ Knowledge transfer to internal training resources
- ⊕ teksoft Resource Library (tRL)

The teksoft Difference

- ⊕ teksoft advised client on resource planning strategies to ensure client self reliance
- ⊕ teksoft training professionals gained immediate rapport and credibility with the client's internal training team, process team, PMO, and implementation partner

Results

- ⊕ On time
- ⊕ 7% below budget
- ⊕ Significant cost reduction due to greater self reliance (example: The client's training lead planned for teksoft ventures coaching/advisory services for 2 years, only 7 months required)
